### NEW YORK CITY

As part of our ongoing effort to engage with innovators and facilitate market-enhancing FinTech innovation, LabCFTC will host Office Hours in New York City during New York FinTech Week.

LabCFTC is the focal point for the CFTC's efforts to promote market-enhancing FinTech innovation and fair competition for the benefit of the American public. LabCFTC is designed to make the CFTC more accessible to FinTech innovators, and serves as a platform to inform the Commission's understanding of new technologies.

Office Hours provide the FinTech community the opportunity to engage with LabCFTC in general conversation, discuss a specific question or issue, or give a presentation.
